UNITED STATES POWER SQUADRONS® BYLAWS

Adopted and Amended by the Governing Board
Effective 24 January 2015

Article 1: Name and Form

Section 1.1 The name of this organization shall be *United States Power Squadrons*.

Section 1.2 United States Power Squadrons (hereinafter referred to as "USPS") shall be composed of separate component *squadrons* operating as local units grouped into *districts*. USPS shall be governed by a *governing board* and shall be presided over by a *chief commander* and appropriate assisting officers.

Section 1.3 USPS is and shall continue to be qualified and operated as a non-profit corporation under the laws of the state of North Carolina and pursuant to the requirements of Section 501(c)(3) of the Internal Revenue Code of 1986, as amended.

Section 1.4 USPS, its districts, squadrons and members shall at all times observe all federal, state and local human rights laws, regulations and ordinances applicable to any USPS activity, procedure or practice. At no level, national, district nor squadron, may any person be refused membership, denied office, or be prevented from participating in any activity because of any fact or circumstance which would identify that person as one of a protected class of individuals under the human rights laws, regulations or ordinances of any governmental jurisdiction where the person resides or in which national, the district or the squadron involved conducts business.

Section 1.5 Any word denoting gender used in these bylaws shall apply equally to either gender as the context may require.

Article 2: Objects

Section 2.1 The objects of USPS shall be:

2.1.1 To selectively associate congenial persons of good character having a common love and appreciation of yachting as a nationwide fraternity of boatmen;

2.1.2 To encourage and promote yachting, power and sail, and to provide through local squadrons and otherwise a practical means to foster fraternal and social relationships among persons interested in yachting;

2.1.3 To encourage and promote a high amateur standard of skill in the handling and navigation of

yachts, power and sail; to encourage and promote the study of the science and art of navigation, seamanship and small boat handling; to develop and promote instructional programs for the benefit of members and to stimulate members to increase their knowledge of and skill in yachting, through instruction, self-education and participation in marine sports activities and competitions;

2.1.4 To encourage its members to abide by recognized yachting traditions, customs and etiquette; and

2.1.5 To render and encourage its members to render such altruistic, patriotic or other civic service as it may from time to time determine or elect.

Article 3: Membership

Section 3.1 There shall be four classes of members: active members, apprentice members, corporate members, and honorary members. Active members at least 18 years of age shall have all the privileges of membership in USPS while the other classes of members shall have limited privileges as noted below.

Section 3.2 Membership in USPS is a privilege, not a right, and shall be (1) by application and (2) conditioned

upon meeting eligibility requirements as set forth in these bylaws.

Section 3.3 Whenever admission to membership in USPS has been delegated to the Executive Committee of a squadron (§5.2.7) the squadron shall process applicants only in the manner prescribed in these bylaws, in the squadron's bylaws (provided they are not inconsistent with these bylaws) and in policies established from time to time by the Governing Board.

Section 3.4 An application for active, associate or apprentice membership must be endorsed by one or more active members before being presented to an Executive Committee for final action. Admission to membership shall require a majority vote of Executive Committee members present and voting at a duly constituted meeting thereof.

Section 3.5 Prior to admittance to any dues-paying class of membership, applicants shall have paid all applicable entrance fees and dues.

Section 3.6 Any person who is able and willing to contribute time, energy and skills to the objectives of USPS or their squadron may be admitted to active membership in USPS under such conditions as these bylaws and the Governing Board may prescribe.

3.6.1 Active membership shall be comprised of *regular members*, who are members of a squadron, and *unattached members*, who are not members of a squadron.

3.6.2 An active member who has been a member for at least 50 years and has been awarded at least 50 merit marks shall be deemed a *member emeritus of the Governing Board*.

3.6.3 An individual who has been a member for at least 25 years and has been awarded at least 25 merit marks, or one who has completed service as chief commander, shall be deemed a *life member*.

3.6.4 An individual shall be deemed a *sustaining member* upon payment of a lump sum equal to 20 times the then-current national dues. Sustaining membership shall not be available at the district or squadron level.

3.6.5 An individual who has been a member for at least five years and has been awarded at least five merit marks shall be deemed a *senior member*.

3.6.6 Life members and sustaining members shall be exempt from payment of national dues. Sustaining and life memberships do not in themselves exempt members from payment of district and squadron dues and assessments and qualified members must continue to meet squadron membership requirements or be recognized as unattached (§3.6.10) in order to retain membership in USPS.

3.6.7 [Reserved]

3.6.8 An individual shall be awarded the status of *25 year member* upon paying annual dues for the 25th

time and the status of *50 year member* upon paying annual dues for the 50th time. For the purposes of this section, sustaining and life members will be considered as paying annual dues each year following the achievement of sustaining and life membership respectively.

3.6.9 Active and apprentice members shall be awarded advanced grade status after passing appropriate examinations as prescribed by the Educational Department.

3.6.10 Any applicant for membership or reinstatement in USPS may apply to the National Secretary for admittance to membership in USPS under procedures adopted by the Board of Directors for unattached membership or unattached membership assigned to a provisional squadron. Except for assignment to a provisional squadron, no application for unattached membership shall be accepted unless, in the opinion of the national secretary, there is no suitable squadron within a reasonable distance of the applicant.

Section 3.7 Individuals who reside with an active member (considered a *primary active member* for billing purposes), may be admitted as active members in the same manner as any other such members. They shall have all the rights and privileges of their membership class except they shall not be entitled to receive separate copies of *The Ensign*, or other publications and their dues shall be billed to the primary active member.

3.7.1 Members less than 18 years of age shall be entered as active members and may enroll in courses and receive merit marks. They shall also be entitled to wear the uniform, fly the ensign, and attend any business meeting of USPS or any district or squadron, but may not serve in an elected position or as a committee chairman or vote at any business meeting.

3.7.2 [Reserved]

3.7.3 [Reserved]

3.7.4 [Reserved]

3.7.5 [Reserved]

3.7.6 Upon the resignation, termination, or death of a primary active member, any memberships that had been billed to that primary active member shall continue with one such member, 18 years of age or older, automatically becoming the new primary active member. If no such member exists, or the only qualifying member refuses the change, all remaining members 12 to 17 years of age will be offered the choice of becoming apprentice members.

Section 3.8 Apprentice members of USPS shall be persons who have reached the age of twelve.

3.8.1 Apprentice members shall be entitled to the same rights and benefits of membership in USPS as active members, including the right to take advanced grade and elective courses, serve on appointed committees as provided in Section 4.5.1 and earn merit marks. However, they may not serve in an elected position, as a committee chairman or vote at any business meeting of USPS or any district or squadron.

3.8.2 Upon becoming 18 years of age, an apprentice member shall automatically become an active member unless electing to remain an apprentice member. At any time between the ages of 18 and 23 an apprentice member can irrevocably elect to become an active member. Apprentice membership shall automatically be converted to active membership at the end of the dues year in which the apprentice becomes 23 years of age.

Section 3.9 If squadron bylaws so provide, associate membership may be conferred by a squadron executive committee upon active members in good standing of other squadrons of USPS or of the Canadian Power and Sail Squadrons. Associate members shall have all privileges of their principal membership except that they shall not hold elective position in the squadron, have representation by delegates of the squadron, be entitled to represent the squadron at any USPS or district meeting, or be entitled to vote at any meeting of the squadron. Associate member dues and fees, if any, shall be billed by and paid directly to the squadron offering associate membership.

Section 3.10 By delegation of Governing Board authority, the Board of Directors and equivalent bodies in the districts and squadrons may confer honorary membership, for not more than one year at a time, upon persons who are not members of USPS and who have made a significant contribution to safe boating or to the work of USPS. An

honorary member shall have none of the privileges extended to other classes of members except to wear the USPS lapel pin. Honorary members shall pay no national or local entrance fees, annual dues or assessments.

Section 3.11 Corporate members shall be entities having an interest in boating safety or recreational boating. Corporate members shall pay such dues and entrance fees as may be set by the Governing Board. Corporate members may not vote, hold office or participate in local activities. A corporate representative may wear the member's pin. Corporate members may be admitted by majority vote of the Board of Directors.

Section 3.12 Termination of Membership:

3.12.1 All voluntary resignations must be made in writing to the commander or the secretary of the member's squadron with a copy to the national secretary.

3.12.2 No resignation of a member indebted to USPS or to a squadron shall be accepted until such indebtedness has been paid.

3.12.3 If dues of any member are in arrears later than the eighth day of the month, following the dues anniversary month, the member's membership including any additional member ships in connection therewith, will be terminated automatically and without further notice.

3.12.4 Membership may be terminated as provided in Article 15.

Section 3.13 [Reserved]

Article 4: Officers and Committees

Section 4.1 There shall be three classifications of officers, namely, *national*, *district* and *squadron*. The chief commander, the vice commanders, the chairmen and assistant chairmen of the general, standing and departmental committees, the chaplain(s), the flag lieutenant and the aides to the chief commander shall be national officers of USPS. The district commanders shall

be national officers and at the same time they, together with officers elected by a district or appointed by a district commander thereof, shall be district officers. Officers elected by a squadron or appointed by an appointing authority thereof, shall be squadron officers. The provisions of this article shall be applied to all classifications of officers as the context may require.

Section 4.2 There shall be two types of officers, namely, those *elected* by the Governing Board, by the districts, or by the squadrons and those *appointed* by the Governing Board and equivalent bodies in the districts and squadrons, or by authorized officers on the national, district and squadron level respectively.

Section 4.3 *Flag office* means any office which, by virtue of the rank associated therewith, entitles the officeholder to fly a specific rectangular flag; i.e. commander, vice commander, rear commander, staff commander, lieutenant commander and first lieutenant. *Flag officer* means the holder of a flag office.

Section 4.4 *Bridge officer* means the commander, the executive officer, the educational officer, the administrative officer, the secretary and the treasurer.

Section 4.5 Elected officers, elected committee chairmen and committee members and all appointees shall be subject to the following general provisions:

4.5.1 All elected officers, all elected committee chairmen and elected committee members shall be active members in good standing and all appointed officers shall be active members, apprentice or associate members, at least 18 years of age, and in good standing.

4.5.2 Except for members of committees with staggered terms or as otherwise provided in applicable bylaws, all officers, committee members and appointees shall: (1) be elected or appointed annually; (2) serve for one year or until their successors are elected or appointed, or if applicable, installed and (3) begin their terms of office at the time at which they are elected or appointed, or if applicable, installed.

4.5.3 Every appointee shall hold office at the pleasure of the appointing power but not beyond the term of office of that person or body except to complete an

assignment with the approval of the Board of Directors or equivalent body at the district or squadron level.

4.5.4 Except as otherwise provided in these bylaws, no member shall be nominated for or hold more than one flag office at any single level of USPS simultaneously except for a short *lame duck* period due to overlapping terms of office. More than one elective position other than flag office may be held if there does not appear to be a conflict of interest.

Section 4.6 District and squadron educational officers and assistant educational officers shall be elected by their respective units in the same manner as other district and squadron officers provided, however, no member may be nominated for such office unless, prior to nomination, the candidate's qualifications have been approved by the national educational officer or as in 4.6.2 herein. Nomination and election of any person without such prior approval shall be voidable.

4.6.1 The withholding of such approval shall be for just cause and the reasons therefor shall be furnished, in writing, to the appropriate squadron or district nominating committee.

4.6.2 The National Educational Officer may delegate to the Assistant National Educational Officer the approval of district educational officers and assistant district educational officers and to the district educational officers the approval of squadron educational officers and assistant squadron educational officers within their respective districts.

4.6.3 Failure of the National Educational Officer (or designee) to act within 30 days upon receipt of a request for approval of the qualifications of a person proposed for district or squadron educational officer or assistant educational officer shall be considered approval of the qualifications of such person.

Article 5: National Organization

In the event of unavailability of the appropriate endorser, the endorsement may be waived by the Chief Commander. 15.2.1 All written correspondence required by this article, including the original charge and all

subsequent notifications and reports, shall be forwarded in a manner which ensures prompt delivery and provides that a signed acknowledgment of delivery shall be returned to the sender as is the case with *certified mail, return receipt requested*.

15.2.2 There shall be no recourse from the proceedings provided for herein other than those specifically set forth in this article.

15.2.3 All written records and transcripts and all recordings pertaining to any disciplinary action taken under this article, regardless of the final disposition of the action, shall be sealed by the National Secretary when the proceedings are complete and stored at USPS headquarters for a period of not less than five years. Such records may be opened only by, or upon written instructions from, the chief commander and only when such action is necessary to protect USPS, its districts, squadrons, or members from legal action.

Section 15.3 Any member of USPS may be suspended from membership for a period of time, or may be expelled

from membership or otherwise disciplined, as hereinafter provided, for violation of any governing provision of USPS or for any conduct found detrimental or prejudicial to USPS. Violation or misconduct may include, but shall not be limited to, one or more of the following:

15.3.1 Failure to discharge an obligation to USPS;

15.3.2 Any action contrary to the provisions of these bylaws;

15.3.3 Any willful misconduct in office;

15.3.4 Persistent failure to perform the duties of any office to which the member has been elected or appointed;

15.3.5 Habitual intemperance;

15.3.6 Conviction of a felony;

15.3.7 Failure to abide by the substantive policies of USPS as set forth by the Governing Board; or

15.3.8 Deliberate failure of a member to abide by the USPS Pledge.

Section 15.4 Any member may bring a charge of violation or misconduct against any other member of USPS.

15.4.1 Such charge shall be in writing and shall be complete, specific and detailed, containing all information known to the member making the charge.

15.4.2 The charge shall be affirmed or sworn to by the complainant under penalties of perjury and shall contain the jurat of a notary public or other officer authorized to administer an oath or affirmation.

Section 15.5 Any charge shall be filed with the National Secretary at USPS headquarters within 180 days of the complainant's knowledge of the alleged offense and, in any event, within 365 days of the date of such alleged offense provided, however, should a respondent allow membership to lapse by failure to pay dues during the above period of time and later reinstate, the deadline for bringing such charge shall be 90 days after reinstatement. The headquarters manager shall acknowledge receipt to the complainant, retain the original charge document, send a copy to the National Secretary, who after review of the charge document, shall send a copy of the complaint to the respondent(s) and the respondent's squadron commander, or if the respondent is the squadron commander, the copy shall be sent to the respondent's district commander.

15.5.1 Upon receipt of the charge, the National Secretary shall, with no undue delay, appoint a USPS officer residing in the respondent's district, but not a member of the respondent's squadron, to conduct a preliminary investigation of the charge. Such

investigation should include interviews with the complainant, the respondent and any witnesses and a review of any pertinent records. This officer shall attempt to reconcile the differences between the parties and shall, within 30 days of receiving the assignment, report to the National Secretary the results of the investigation and any attempts to resolve the matter.

15.5.2 When choosing a USPS officer to conduct the preliminary investigation and attempt resolution, the National Secretary shall ensure that the chosen officer is not a party to the matter and is neutral to the issues and parties involved.

15.5.3 The complainant, the respondent and the appropriate squadron and district commander(s) shall be copied both on the investigative request and the report of the investigation.

15.5.4 In the event that the respondent is the Chief Commander, the National Secretary shall ask the most immediate past chief commander available to conduct the preliminary investigation, attempt resolution and report on these activities to the Board of Directors.

15.5.5 In the event that the respondent is the National Secretary, the charge shall be filed with the Chief Commander who shall assume those duties otherwise assigned to the National Secretary by this article. The Chief Commander or appointed representative shall conduct the preliminary investigation, attempt resolution and report on these activities to the Board of Directors.

15.5.6 If the investigator's report indicates that the matter has been resolved (charge withdrawn) or if the National Secretary determines from a review of the investigator's report that no facts exist to authorize disciplinary action, the National Secretary shall notify all interested parties of these findings and seal all records pertaining to the charge and the case shall be closed. If the investigator's report indicates that the matter has not been resolved, the National Secretary shall determine, as directed in the following subsection or by other judgment, the USPS level (squadron, district or national) at which the charge shall be heard and then proceed as directed in 15.6 herein.

15.5.7 If the complainant or the respondent is an elected squadron officer or an elected squadron committee member, the charge shall be heard at the district level; if the complainant or the respondent is an elected district officer, an elected district committee member, an elected national officer, or an elected national committee member, the charge shall be heard at the national level. Charges by or against

any unattached member shall be heard at the national level.

Section 15.6 Upon receipt of the report of the preliminary investigation and having determined the need to proceed under this article, the National Secretary shall, within 30 days:

15.6.1 If the charge is to be heard at the squadron level, advise the respondent's Squadron Commander, including a copy of the investigative report and instructions to notify the members of the squadron's Executive Committee and to return notice to the National Secretary of the date upon which such notification was given.

15.6.2 If the charge is to be heard at the district level, advise the respondent's District Commander, including a copy of the investigative report and instructions to notify the members of the District Council and to return notice to the National Secretary of the date upon which such notification was given.

15.6.3 If the charge is to be heard on the national level, advise the members of the Board of Directors and send each a copy of the charge and the investigative report.

15.6.4 If the charge is made against a member of a squadron or district other than that of the complainant, provide the appropriate commanders with copies of the charge and the investigative report.

15.6.5 Forward a copy of the charge and the report of the preliminary investigation to the respondent, along with a copy of this article in order to explain all rights and the procedures which will be followed. The respondent shall have the privilege of filing a written answer to the charge within 20 days of receiving notice by sending such answer to each member of the squadron Executive Committee, district council or Board of Directors (as the case may be) charged with authorizing the appointment of a hearing committee as provided in this article.

15.6.6 The respondent's failure to file an answer within 20 days shall constitute a general denial of all allegations in the charge.

Section 15.7 Within 45 days after the expiration of the 20 day period during which the respondent had the right to file an answer, the squadron Executive Committee, district council, or Board of Directors (as the case may be) shall consider the matter, in executive session, at any regular or special meeting. At that meeting, or within 30 days thereafter, said committee or council shall either (1) dismiss the charge on the grounds it is not substantial enough to warrant further action, or (2) authorize the appointment of a hearing committee as hereinafter provided.

Section 15.8 The Hearing Committee shall include only active members who, where possible, are senior members of USPS and shall be comprised as follows:

15.8.1 At the squadron level, the Hearing Committee shall consist of five members including the chairman of the squadron Rules Committee (unless he is the respondent or complainant) who shall be the presiding officer. The other four members shall include at least two of the squadron's past commanders and one member of the squadron who is without office or committee chairmanship. If no member is available in one or more of the specified categories, the Squadron Commander shall make appropriate appointments.

15.8.2 At the district level, the Hearing Committee shall consist of five members and shall include the chairman (unless respondent or complainant) of the district Rules Committee who shall be the presiding officer. The other four members shall include at least one of the district's past commanders and one member of the squadron of which the respondent is a member. If no member is available in one or more of the specified categories, the District Commander shall make appropriate appointments.

15.8.3 At the national level, the Hearing Committee shall consist of five members and shall include the chairman of the Committee on Rules as presiding officer (unless he is the respondent or complainant, in which case the assistant chairman shall act). The other four members shall include at least one past chief commander, one past district commander and one general member of the Governing Board.

15.8.4 No interested party or witness may be a member of any hearing committee.

Section 15.9 Hearing committee appointments shall be at the sole discretion of the squadron, district, or chief commander respectively and such appointments shall be binding upon both the complainant and the respondent. Substitutions may be made by such commander in the event of a conflict of interest, lack of availability, illness, or otherwise.

Section 15.10 The Hearing Committee shall, with no undue delay, conduct an investigation into the charge.

15.10.1 If such investigation discloses that the charge is unfounded, it may dismiss the charge without a hearing. Otherwise, it shall order a hearing, fixing a time, date and place which is reasonably convenient for all parties and which shall take place not earlier than 30 days nor later than 90 days after the respondent and the complainant have been sent notice of the hearing, unless a continuance for good cause is granted as specified in 15.10.3 herein.

15.10.2 Notice of the dismissal of the charge or of the ordered hearing shall be sent to the respondent and the complainant by the chairman of the Hearing Committee using a method consistent with the correspondence requirements of 15.2.1 herein.

15.10.3 The respondent and/or complainant may, within 10 days of receiving notice of the hearing, request in writing of the chairman of the Hearing Committee that a continuance of the hearing be granted for good cause. If a continuance is not granted, the hearing shall proceed as originally scheduled even though the respondent and/or complainant may not be present.

Section 15.11 At any hearing at the squadron or district level, the squadron law officer or the district law officer shall represent the respective squadron or district. In the event that the squadron or district involved does not have a law officer or the law officer is complainant or respondent, the squadron or district commander shall appoint an attorney. At the national level, the USPS law officer shall represent USPS unless he is the complainant or respondent in which case the chief commander shall appoint another attorney.

15.11.1 The respondent shall be entitled to testify and to employ and be represented by counsel of choice at the hearing. The complainant may also employ counsel of choice and may testify or rest on the complaint as filed. Expenses of counsel shall be borne by those employing same.

15.11.2 Witnesses may be heard. Testimony at hearings at any level shall be taken under oath or affirmation. At squadron and district level hearings, testimony may be recorded at the request of either party, provided said party furnishes and pays for the recording and provides the other party and the Hearing Committee with a copy of the transcript, in which case the transcript shall be part of the hearing record filed at USPS headquarters. At national level hearings, testimony shall be recorded.

15.11.3 The rules of evidence in use in the United States District Court for the district in which such hearing is held shall apply.

Section 15.12 The Hearing Committee, after reviewing the evidence, may (1) dismiss the charge; (2) censure the respondent; (3) suspend the respondent for not more than six months; (4) remove the respondent from office; (5) expel the respondent from squadron membership and/or (6) recommend to the Board of Directors that the respondent be expelled from membership in USPS.

15.12.1 In the case of censure, suspension, removal from office, or expulsion from squadron membership, the respondent shall have no right of appeal and the decision of the Hearing Committee shall be final,

conclusive and binding on all parties. A respondent expelled from a squadron but not from membership in USPS shall become an unattached member of USPS and may seek membership in another squadron.

15.12.2 In the event the Hearing Committee recommends expulsion from USPS, the report to the National Secretary required by 15.14 herein shall contain a copy of the complete file in the matter including a copy of the transcript of the hearing, if any. If a transcript is not available, the Hearing Committee shall prepare, as a part of its findings, a statement of the facts upon which it based its recommendation to expel the respondent from USPS. Upon receipt of the report, the National Secretary shall notify the Board of Directors of the recommendation and provide a copy of the report to each member. Within 120 days of such notice, the Board of Directors shall act upon the recommendation in executive session and notify the complainant, the respondent and appropriate commanders of its action. Expulsion from USPS shall require a two-thirds vote of the Board of Directors.

15.12.3 In the case of expulsion from USPS, the respondent shall have the right of appeal to the Governing Board by delivery of a written notice of such appeal to the National Secretary within 30 days from the date of receipt by the respondent of the notice of expulsion. The appeal shall be placed on the agenda and in the call for the Governing Board meeting next following at least 45 days after date of receipt by the National Secretary of the notice of appeal. Fifteen minutes shall be allowed to present the respondent's position to the Governing Board. Such presentation may be made by the respondent or a selected representative. A representative of USPS shall be allowed 10 minutes to present the findings and recommendations of the Hearing Committee in rebuttal. At the conclusion of both presentations the chair shall cause a vote to be taken upon the proposition "Shall the expulsion of [name] be sustained?" The vote shall be taken by voice to determine a simple majority and the decision, so determined, shall be final, conclusive and binding upon all parties. If the result of the vote is uncertain, the voting procedure set forth in 10.3.5 herein shall be used.

Section 15.13 Termination of proceedings.

15.13.1 If at any time in the proceedings the respondent offers to resign from USPS, such resignation shall be immediately accepted and all proceedings under this article shall terminate.

15.13.2 If at any time in the proceedings prior to the appointment of a hearing committee the respondent makes written apology to the National Secretary, such apology shall immediately be communicated to the commander of the squadron, district, or national body involved and if that body agrees to accept the apology in conclusion of the matter, the disciplinary proceedings shall be terminated and the complainant, respondent and National Secretary shall be so notified by the commander.

15.13.3 If in the event that after a hearing committee has been appointed the respondent makes a written apology to the chairman of the Hearing Committee and the Hearing Committee agrees to accept the apology in conclusion of the matter, the disciplinary

proceedings shall be terminated and the complainant, respondent and National Secretary shall be so notified by the chairman.

15.13.4 If at any point in the proceedings the complainant withdraws the charge by notice to the National Secretary, the disciplinary proceedings shall terminate and the respondent shall be so notified by the National Secretary.

Section 15.14 All action taken hereunder by any squadron executive committee, district council, hearing committee or by the Board of Directors shall be reported in writing to the National Secretary within 15 days of such action in accordance with the correspondence requirements of 15.2.1 herein.

Article 16: Arbitration of Disputes

Section 16.1 General provisions:

16.1.1 Except for any claim, dispute, or controversy which arises from an act or event which is the basis of a claim for disciplinary action under the provisions of Article 15 hereof, this arbitration procedure shall apply to every claim, dispute, or controversy arising out of or in connection with the activities of a squadron or district of USPS and shall be binding upon all parties to a dispute.

16.1.2 Any claim, dispute or controversy subject to arbitration shall be (1) by one squadron against another squadron or by a squadron against a district, or (2) by one district against a squadron or by one district against another district.

16.1.3 All claims, disputes or controversies between squadrons assigned to the same district shall first be heard and passed upon by the district council of the district to which the squadrons are assigned. This arbitration procedure shall (1) be utilized as an appellate procedure from the decision of a district council by either party to the action before the district council, or (2) apply where the squadrons are assigned to different districts or the dispute is between a squadron and a district or between two districts.

16.1.4 All written correspondence required by this article, including the original charge and all subsequent notifications and reports, shall be forwarded in a manner which ensures prompt delivery and provides that a signed acknowledgment of delivery shall be returned to the sender as is the case with *certified mail, return receipt requested*.

Section 16.2 Any such claim, dispute or controversy may include, but shall not be limited to, one or more of the following:

16.2.1 Any failure to discharge obligations to USPS;

16.2.2 Any action contrary to the provisions of these bylaws, the procedures set forth in the USPS *Operations Manual*, or any similar manuals officially promulgated by a national department or committee of USPS;

16.2.3 Any conduct prejudicial to USPS or which brings it or any district or squadron thereof into disrepute;

16.2.4 Any failure to abide by the substantive policies of USPS as set forth by the Governing Board;

16.2.5 Any unwillingness to cooperate with USPS, with the district to which the squadron is assigned, or with other squadrons or districts of USPS; or

16.2.6 Any intentional violation of the laws and regulations of the United States of America or of the several states or subdivisions thereof.

Section 16.3 Charges:

16.3.1 Any charge of violation or misconduct against any squadron or district of USPS shall be made in writing within 45 calendar days of (1) the offense upon which such charge is based or (2) the time when the charging party may reasonably have learned of the offense; or when there is an ongoing dispute which cannot otherwise be resolved. Said charge shall be specific and detailed and shall contain exact reference to the section(s) of the bylaws or other documents or the policies mentioned in 16.2.4 above regarding such charge.

16.3.2 Such charge shall be affirmed or sworn to by affidavit by an officer of the complaining squadron or district; shall contain the jurat of a notary public or other officer authorized to administer an oath or

affirmation in the legal jurisdiction where the violation or misconduct occurred and shall be acknowledged by the commander of the complaining squadron or district.

16.3.3 Any charge shall be filed with the District Commander of the district to which the defendant squadron is assigned with a copy to the National Executive Officer. If a district is a party to the proceedings, a charge needs to be filed only with the National Executive Officer.

Section 16.4 Upon receipt of a charge, the District Commander or the National Executive Officer shall, within 20 business days, forward a copy thereof to the defendant squadron or district along with a copy of this article in order to advise the respondent of all rights and the procedures hereunder. The defendant squadron or district shall have the privilege of filing a written answer within 20 business days of the receipt of such charge by sending an answer to the District Commander or the National Executive Officer as the case may be.

Section 16.5 Upon receipt of a charge and an answer thereto, or upon the expiration of time for the filing of an answer, the District Commander or the National Executive Officer shall consider the matter and, within 30 days, may either (1) dismiss the charge as being unfounded or not substantial enough to warrant further action, or (2) appoint an arbitration committee as hereinafter provided.

Section 16.6 The Arbitration Committee which hears a charge shall be composed of three active senior members of USPS who are at least past or present district or squadron officers.

16.6.1 One member of the Arbitration Committee shall be appointed by each party to the dispute. The third member shall be (1) appointed by the District Commander if both squadrons are assigned to the same district, or (2) mutually agreed upon by the district commanders of separate districts if the squadrons are not of the same district. The three members so named shall select one of their number to be chairman.

16.6.2 In the event a district is a party to the dispute or in the circumstances wherein different district commanders are unable to agree to a selection for the committee, the National Executive Officer shall designate the third member of the committee by choosing a past or present elected district officer from a neighboring district. In like manner, should the Arbitration Committee be unable to agree upon one of its number to serve as chairman the appointment shall be made by the national executive officer.

16.6.3 The parties to the dispute, the District Commander(s) or the National Executive Officer shall make their respective appointments to the Arbitration Committee in their sole discretion and such appointments shall be binding upon all parties. Substitutions may be made in the event of a conflict of interest, lack of availability, illness, or otherwise.

16.6.4 No member who is an interested party or a witness may serve on any Arbitration Committee.

Section 16.7 The Arbitration Committee shall, as soon as practical, (1) formulate a decision which is mutually acceptable to the contending parties, (2) render its decision based upon the evidence submitted, or (3) order a hearing fixing the time, date and place which shall be reasonably convenient to all parties and shall be held not earlier than 20 days and no later than 60 days after notice to the parties to the dispute. The National Executive Officer shall be notified of any action taken by the Arbitration Committee and shall inform the Board of Directors of such action.

Section 16.8 At any hearing the parties thereto should be represented by counsel and may be represented by their respective law officers. In the event the district or squadron does not have a law officer, the District Commander or the Squadron Commander may appoint an attorney in the district or squadron to represent the district or squadron as the case may be. The parties to the dispute shall, at their own expense, at all times be entitled to employ and to be represented by counsel of their choice. The complainant may testify or may rest on the complaint as filed. Witnesses for either side may be heard. Testimony shall be taken under oath or affirmation, but shall not be recorded unless one of the parties to the dispute provides for and pays the expenses of such recording. A copy of such recording shall be made available to the other party upon payment by such other party of a prorata share of the expense of producing same. Copies of such recordings shall be furnished at no cost to each member of the Arbitration Committee by the party ordering the recordings. The Arbitration Committee shall determine the materiality and relevance of any evidence proffered and shall not be bound by rules governing the admissibility of evidence. The Arbitration Committee shall, however, take official notice of these bylaws, Governing Board policies, procedures contained in the USPS *Operations Manual* or any similar manuals officially promulgated by a national department or committee of USPS and the bylaws of any district or squadron involved.

Section 16.9 The Arbitration Committee, after reviewing the evidence, may (1) dismiss the charge or (2) direct action to be taken by each of the parties to the dispute. Failure to abide by the decision of the Arbitration Committee may be grounds for disciplinary action against the officers involved.

Section 16.10 The report of the Arbitration Committee shall be in writing and shall be signed by each member of the committee although any member of the committee may note dissent to the report. The report shall clearly state: (1) the issue(s) submitted; (2) the specific aspects of Section 16.2 alleged to have been violated; (3) the specific testimony, evidence and argument of the contending parties; (4) the general reasoning of the committee in arriving at its decision and (5) the remedy or course of action to be taken. Signed or confirmed copies of the report of the Arbitration Committee shall be provided to the parties to the dispute and to the National Secretary within 45 days of the completion of the hearing.

Section 16.11 Either party to a dispute shall have the right to appeal the decision of the Arbitration Committee to the Board of Directors by delivery of written notice of such appeal to the National Secretary within 30 days of receipt of the report of the committee. The National Secretary shall immediately request of the chairman of the Arbitration Committee that copies of the complaint, the answer (if any) and the complete proceedings be forwarded for presentation to the Board of Directors at its next meeting at least 15 days after receipt of the appeal. Any questions regarding the arbitrability of a grievance,

laches with respect to time limits specified in these procedures, or disputes concerning the proper application of the rules established herein shall be decided without further appeal by the Board of Directors. After reviewing the proceedings, the Board of Directors may confirm the action of the Arbitration Committee or remand the action to the Arbitration Committee for further hearing. The actions of the Board of Directors may not be appealed. A report of the actions of the Board of Directors shall be sent to all parties involved, including the members of the Arbitration Committee, by the National Secretary within 30 days of the Board of Director's decision. The facts and the results of any dispute may be published in *The Ensign* if the Board of Directors, in its sole discretion, determines such publication to be in the best interests of USPS.

Section 16.12 There shall be no recourse from the proceedings provided for herein other than those specifically set forth in this article. There shall be no liability or responsibility in law or equity upon USPS, any district or squadron, or any of its members, officers or employees, either in connection with a charge or accusation made, hearings thereon, decisions and judgments, or failure to comply technically with the procedures set forth herein.

Article 17: Boating Safety Courses

Section 17.1 Each squadron shall offer to the public at least once a year a USPS boating safety course. Squadrons may impose such restrictions upon class attendance as may from time to time seem reasonable to the squadron. No squadron shall sponsor any public boating safety course using material other than that approved by USPS.

Section 17.2 Instruction in boating safety courses shall be without charge to any student. Amounts may be collected as determined by the squadron to cover reasonable costs of materials, facilities, and any squadron operating costs. Any person sitting for the examination only, without

taking classroom instruction may be charged a fee set or delegated by the Board of Directors to cover the cost of administering the examination and the necessary reports required to be filed with USPS.

Section 17.3 A squadron shall issue without charge to any person who has passed the prescribed boating safety course examination, a certificate supplied by the National Educational Department and signed by the Squadron Commander. Such certificate shall be known as the *Certificate of Completion*. The issuance of such a certificate shall not confer rights of any sort, including membership.

Article 18: Indemnification

Section 18.1 USPS shall indemnify officers of USPS from all liability which may be imposed by any court of final jurisdiction for any and all acts done in good faith in the performance of their duties. No indemnification shall be made by reason of any compromise settlement, either before, during, or after trial unless such settlement be

approved prior to consummation by the Board of Directors of USPS. The indemnification provided above shall also include reasonable legal fees, provided the Board of Directors shall be the judge of the reasonableness of such fees.

Article 19: Miscellaneous

Section 19.1 Unless otherwise approved in advance by the Board of Directors, all services performed for USPS by its members shall be without monetary compensation of any kind and the products and rights in the results of all such services shall be owned by USPS, solely and exclusively. This includes, but is not limited to copyrightable works, teachings and activities for USPS. Copyright decisions concerning squadron newsletters, district newsletters and similar publications are delegated to districts and squadrons. Decisions concerning copyrights in *The Ensign* may be delegated by the Board of Directors to the magazine's staff.

Section 19.2 Any oral or written correspondence by a member with non-USPS groups or individuals, public or private, which represents any official USPS policy or position or which implies that the member is an official representative of USPS shall have the prior approval of the chief commander or the Board of Directors.

Section 19.3 There shall be published an Operations Manual with interim supplements and current revisions as needed containing up-to-date information useful and helpful to officers and members of USPS.

Section 19.4 The national magazine of USPS shall be called *The Ensign*.

Section 19.5 The audio recordings of all, regular and special meetings of the Governing Board shall be held at headquarters for 18 months and only the summaries of reports, motions presented and the action taken shall be set forth in the minutes of such meetings.

Section 19.6 No person shall take advantage of USPS membership status in order to achieve personal gain or remuneration which would otherwise be unavailable.

Section 19.7 No member of USPS shall have, as an individual, any interest in or title to the assets of USPS or of any district or squadron and such assets shall be devoted exclusively to the purposes of USPS, its districts, or its squadrons.

Section 19.8 When not meeting formally, USPS committees may conduct business by electronic means provided a quorum of committee members participates. When minutes are required, action taken electronically shall be recorded in the minutes of the next formal meeting of the committee. When signatures are required, verifiable electronic signatures may be used.

Article 20: Amendments

Section 20.1 These bylaws may be amended by a two-thirds vote of those present and voting at any annual, or special meeting of USPS or at any meeting of the Governing Board provided such proposed amendment is stated in full in the proposed notice of the meeting. When any amendment is properly before any meeting it may, before final action thereon, be changed by a majority vote provided the change is germane to the subject covered by the amendment as proposed.

Article 21: Distribution of Assets after Termination

Section 21.1 In the event of the dissolution and voluntary surrender or revocation of a squadron charter, all assets then belonging to the squadron shall be assigned to USPS or to an institution which qualifies for tax exemption under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, or such other section of the code by which USPS is exempt. The recipient of such assignment shall be selected by the squadron's Executive Committee or other comparable body of the squadron. In the absence of such selection, the selection shall be made by the USPS Board of Directors.
